

Check out the newest safety feature offered by Health Care Idaho Credit Union.

### Introducing the **CardNav** App:

Download the **CardNav** App on your phone's App store. Follow the set-up instructions with your debit card and you are ready to monitor your card.

- Turn you debit card on and off in seconds.
- Use GPS to control transaction with a designated location.
- Ensure you are the only person using your card.
- Limit card use to specific merchants and purchases.
- Control spending by setting limits to match your budget.
- Receive real-time card use alerts.
- Receive alerts when suspicious activity is suspected.
- View your most recent uploaded available checking and overdraft protection balance.

**Get the app today. Start getting alerts and monitoring today.**
